Multigenre Research Project Rubric

Growth Areas *Needs Improvement*	Target Criteria *Standards for This Performance*	Exceptional Work *Exceeds Standards*
	Criteria #1: Content • Primary and secondary sources identified, analyzed, and interpreted to demonstrate an in-depth understanding of the topic • Evidence from multiple information sources integrated to describe characteristics of people, places, events, or concepts • Geographic information used to describe characteristics of people, places, events, or concepts • Project tells a complete story of the topic through creative nonfiction and expository pieces	
	Criteria #2: Organization and Structure • Includes all required components and genre pieces • Repetends link the genres together, providing unity and coherence • Includes endnotes for each genre piece and repetend • References cited in APA format • Contains few to no errors in grammar, punctuation, and spelling	

	Criteria #3: Critical Reflection Essay
	• Describes experience and process of project design
	• Explains how writing in different genres can communicate knowledge
	• Describes the strongest and weakest parts of the project and an explanation as to why
	• Expresses personal feelings about:
	  • overall design process experience
	  • what was learned
	  • what could be done differently next time
	  • what score you would give the final product and why
	  • the value and worth of a multigenre project	

(Project does not meet target criteria in areas described)	(Project meets the bulk of these criteria)	(Project exceeds target criteria in areas described)
