

Map with Estimated percent of households that used electricity to heat their home in 2009-2013.

Estimated percent of households that used electricity to heat their home in 2009-2013.

Estimated percent of occupied housing units that used electricity as the house heating fuel in 2009-2013. Percentage calculations were suppressed in cases where the denominator of the calculation was less than 10 of the unit that is being described (eg, households, people, householders, etc). Such areas are represented as having "Insufficient Data" in the map. Denominators for percentage calculations were created by summing all of the component data items in a particular dataset.
