Thesis:

Cogan argues that the cosmologies of ancient times share similar threads/concepts in their quest to explain the unknown realities of the ancient world.

For example

The theme of Water

Expressed in

Gen. 1:2 "Wind of God sweeping over the waters"

and

Enuma Elish: the Gods of the waters came together and a creative process took place

Another similarity

The "Divine Council"

Gen. 1:26 "Let US make..."

Enuma Elish: "The assembly of Gods"

Similarities

Theme of Seduction

Eve seduced by the prostitute then gains knowledge. Clothes himself after.

Eve was seduced by the serpent to eat the apple. Then has adam eat it. They clothe each other after.
