

Class Notes 09/05/2016

Follow Up

on dress code once Ashley gets back from vacation

Friday Recap

Thought it was going to be official- just lady on a computer

All single story buildings

Lots of outdoor space

2 groups on Monday night, 1 Sunday night

6:30 (leave campus) - 8:30 (arrive back on campus)

Assignment-

Write a very short reflection/observations from first day at facility.

Capture expectations- what you were thinking on the way there

what you noticed once you go there

sensory experiences-

how they lead to conclusions- rather than just the conclusion

put in experiential reflections/posts

avoid generalizing

Reread Identity Essay

Storytelling memory- a time you got injured

Part of listening is being comfortable with silence

listening as an active thing

Alice Walker- know for The Color Purple

what is it-

non-fiction,

technically an essay

Titles- are important
idea of beauty in this piece

World in the eye

“One day when I am putting Rebecca down.....” 392-3
Actually seeing swirl of scar tissue and discoloration-
reminds her of big blue marble tv show

Expecting baby to be cruel

sad
used to it
exception vs reality (theme?)

2 dancers

metaphor
damaged self vs accepting self
possibly not damaged- both dancers are happy, healed
her before vs after accident
come back to the person she was initially

“did I change”

people keep telling her she didn't change
what I think of myself vs what other people think of me
confidence is learning to accept yourself without needing other people's reassurance

When did she come to peace with it?

World moment with her daughter is at 27
Photoshoot is 38
Can you recover from something like this?

Essay is not in chronological order

Use of italics

In the end she is still effected by it

Who's fault is it?

Idea of responsibility
Brother?
Parents?
Who sold them the guns?

Lily Leaves
